

Make even the most complex meals simple to prepare

This large-capacity oven is specially designed to cook several different dishes at once, taking all the stress out of preparing a meal.

Product Benefits & Features

Get a gas-cooking 'triple-win' in speed and results

The triple-crown burner delivers an exceptionally uniform heat distribution, giving you faster and better results when boiling, frying or stir-frying.

The effortless way to a clean oven

You can keep this oven clean with doing hardly any cleaning. Its special catalytic lining absorbs grease before burning it up at high temperatures.

Grilled food made easy

Zanussi's electric grill lets you create delicious dishes with the oven door closed. It's built right into the cooker's cavity and works without gas. So there's no need for open doors. Simply prepare your food, let it cook to perfection and enjoy more space in your kitchen.

Free to relax

This cooker's minute minder will let you know when your food is ready – so just sit back and relax.

Added capacity for every occasion

For those occasions when you need to cook for visiting family or friends, this larger baking tray matches your larger oven. It's 25% larger than the standard size.

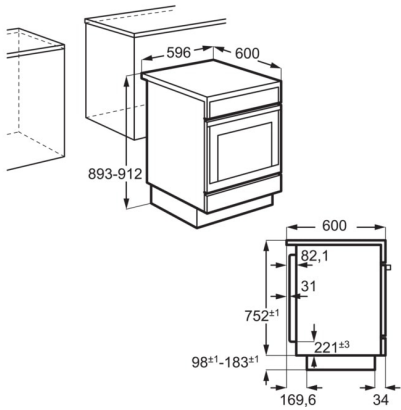

- Cooker with double gas oven and gas hob
- Hob type: Gas

- Electric cable length: 1.6 m

Product Specification

Product Installation	Free_Standing
Product Typology	Double_Cav_Gas
Product Classification	Statement
Installation	Slot In
Size	60x60
Hob type	Gas
Oven Energy	Gas
Cooking	Open Burner + Grill
Cleaning top oven	Catalytic
Cleaning bottom oven	Catalytic
Electrical supply - Cooker functioning	Mains
Nø of cavities	2
Design family	Z2
Main colour	Stainless Steel
Control Panel material	Steel
Type of handle	Metal
Door Handle Colour	Stainless Steel
Type of doors	2 Glasses, Flat
Door type bottom oven	2 Glasses, Flat
Pan storage	No
Control lamps	No
Thermostat	Top&Bottom
Type of timer min.	Minute Minder
Electronic Oven Control	SET with only minute minder

Feature Electronics	Acoustic signal, Minute minder, Time
Heating function top oven	Gas-MO3 FW (Open Flame)
Heating function bottom oven	Mix-TO6 (Open Flame)
Cooking function top oven	Bottom
Cooking function bottom oven	Bottom, Grill
Other comments controls	MO: Gas-MO3 FW (Oven Light + Gas Oven - Gas Mark 1 ...9 Sparking), TO: TO6 - grill, top+grill, open burner)
